Jan. 17 1975.

Dear Mr. Brennan

I just read the
note in the CA.R.P. bulletin

I was both a ship and
shore station operator
(and "ham") for a number
of years, starting in 1912.

Your organization sounds
interesting. I was also
a Communication Officer
in the U.S. Navy in
both WW1 and WW2

I will be glad to hear
from you.

Sincerely

CDR, USNR (RET.)
