Mr E W Murriner
528 Colima St
La Jolla, Calif

Dear Sir:

your letter of Oct 14th *

Paragraph one = a lie *

Paragraph Two = Unable to help you out *
Someone called me on the phone saying he was
calling from Folsom, and would like to
come over and talk to me * Did not encourage
him very much and he has not been here *

Paragraph Three = your dealings with me
have been entirely satisfactory, and you returned
all the pictures I sent you *

would like to see Mr Lilly and talk
over old times * He used to be pretty good at
drawing, (cartoonist) * Still have some of his
in my scrap book, but as to a typewriter, do
not remember *

When your book is on the sales shelf, let me
know - will want one *

yours Truly
A. J. Krenke

P.S. My wife found the name of the party calling from Folsom
which I had scribbled on an envelope of Mr Koerber
