Dear Bill -

Thanks for your note, forms etc. sounds like a good outfit. Enclosed is bank draft for \$7.50 and some clippings, pictures, etc. (Hope separate cover) they are interesting. I have always kept scrap books and have more things if this is what you want. Please let me know.

We have lived here for 8 years and particularly like the climate. Ajijic has changed a lot since you saw it - quite civilized!

There is quite a group of Retired Officers here. I was President of the 1st Retired Officers (TROA) Chapter of the Lake Chapala Area, 2 years ago. We have about 50 members now.

I don't know your friend Turner - guess he has left.

It's difficult, if not impossible for a "gringo" to get a license here. Many have tried but I don't know one who succeeded. Of course there are Mexican "kama".

Best wishes - hope to hear from you. 73 -
