IGNATIUS McCARTY,
Inventor of the coming fire baloon.
Received your letter and was pleased to hear from you "Say
about that wireless machine you wanted I see what I can do to
get one ready ,

that Airship that I was working on was invented by some one
else back east a few days ago .
Remember me to Fr. Bell and Mr Montgomery and every one else
I know ,

Hoping that I will be able to write you a longer letter
soon iL remain your loving Brother Francis .

P.S. this is the circuit I promised you.
